Memorandum for Mr. Bower:

If the forwarding of fishery reports by the Ketchikan Cold Storage Company, at Ketchikan, and R. L. Cole & Co., at Tokene, Alaska, can be expedited by telegraphing to the companies, I think it should be done. It may not be possible, however, to reach the Cole company by telegraph.

I would also suggest telegraphing to the Lighthouse Canning Co., Astoria, Oregon, for reply to letters of December 22 and February 8; and to the Columbia & Northern Fishing & Packing Co., Altona, Wash., for reply to letter of December 27.

Answers to letters are due from the following;

Midnight Sun Packing Co.

J. L. Smiley & Co.

Sitka Packing Co.

~~Baird & Shallenberger~~

Booth Fisheries Co.

~~Mark Morris.~~

August Lindquist.

Patten & Garrison.

Kracke & Jorgensen

~~Rudolph Bernheft~~ (Report returned for completion Jan. 5)

Nothing has been heard from the following who were reported as having Operated in Alaska. Shall they be dropped?
